Our Program

Our Interns

We are looking for university students who are seeking genuine work experience, vocational placements or internships!

As an **Indie Campers International Operations Intern**, you'll be representing our brand in person, providing our guests with a world-class customer service when they start and finish road trips of a lifetime.

Do you enjoy challenges, meeting new people and fast-paced environments?
If so, this position might be your next step!

Our Program

Our Interns

Who you are:

- You're a student or recent graduated in Hospitality, Tourism, or a related field looking for an internship.
- You are fluent in **English**, have a work permit, a **valid driver's license** and feel confident enough to drive a campervan (mandatory).
- You're available for a **full-time** (40 hours) internship or for a **part-time** (20 or 25 hours) internship with flexible working hours.
- You have a natural talent for connecting with people and have a strong customer service orientation.
- You're a problem solver who thrives on creating solutions and is not afraid to get their hands dirty.
- You want a dynamic internship where you can put in practice the theoretical knowledge of your degree.

Our Program

Our Interns

What you'll do

- **Client relationship management:** Greet our customers, handle incoming reservations, register guests, process payments, explain the vehicle & functionalities, as well as terms & conditions, taking care of campervan check-ins and check-outs.
- **Stock management:** Monitor stock, register consumption and identify needs.
- **Quality control:** Maintain our campervans in top condition, verify and prepare them, identify possible maintenance or repairing needs.
- **Operations handling:** Align the reservations with the available campervans, coordinate vehicle return from vendors or additional parkings.

Our Program

Our Interns

What we offer

- All internships are paid, the amount being dependent on location, country, and region (*accommodation not included*).
- Being part of a young, fast-growing and innovative company where you make a difference.
- Continuous training and coaching to develop relevant skills to your growth: namely guest relations, customer service, problem-solving, communication, team spirit, organization, time management, work under pressure, fleet, supplies, and logistics handling.
- International career development opportunities in Field Operations around Europe, or possible transitioning to an HQ role in Lisbon, after the internship.

Internship options

Minimum of 3 months and up to 12 months internship between January and December (flexible according to students' availability).
