

## Apply for Postdoctoral Fellowships in Spain

The Australia-Spain Network for Innovation and Research Excellence (AuSpire) is a training program offering Postdoctoral Fellowships focusing on Planetary Wellbeing and connecting Spanish and Australian research communities. Outstanding researchers worldwide are invited to apply for industry-led positions.

Successful applicants will benefit from:

- Full-time roles in Spain for 36 months
- Competitive salary with relocation allowance
- Up to 12 months international/intersectoral secondment in Australia or Spain
- Innovative research training
- Industry collaboration
- Regular events for networking
- Family allowance to promote equal opportunities

**Find out more and apply by 26 January 2026 (11.59 pm CET) at [AuSpire.eu](https://auaspire.eu).**

\*Applications will be open to candidates from all over the globe who currently hold a PhD and have not resided or carried out their main activity in Spain for more than 12 months over the last 3 years.
